Frankfort, Ky., Nov. 11.—So confident was the secretary of the Governors' conference that John A. Dix would be elected Governor of New York, that before the election he put Mr. Dix on the programme for the conference to begin in Frankfort on November 29. Now that he has been elected it is believed to be certain that he will come to Kentucky the last of November and will spend several days in Frankfort and Louisville. Woodrow Wilson, newly elected Governor of New Jersey, it is expected also will come to Frankfort and Louisville for the conference. Mr. Wilson was on the programme for an address to the Governors, this being unconditional on his election as Governor. He was invited to come whether he was elected or not and accepted the invitation to make an address. Now that he has been elected Governor of New Jersey he will come to the conference as an actual member of the House of Governors.

Efforts probably will be made by the Democrats of Frankfort and Louisville to get Governor-elect Foss of Massachusetts, to come to the conference. Governor-elect Baldwin of Connecticut, also will be invited, and the Democrats will urge him to come to Kentucky. Judson Harmon, who was elected Governor of Ohio, was already on the programme, and has been invited to come. He has accepted the invitation and would have come even if he had not been elected again. So Kentucky will have at least three and possibly five of the newly-elected Democratic Governors here for the conference.

With a back constantly aching. With distressing urinary disorders. Daily existence is but a struggle. No need to keep it up. Doan's Kidney Pills will cure you. One hundred thousand people endorse this claim.

Here is one case: Mrs. F. L. Stewart, Walnut Grove, St., Princeton, Ky., Says: "For the benefit of other Kidney sufferers, I am glad to tell of my experience with Doan's Kidney Pills. This remedy brought me from the brink of the grave and restored me to good health. Doctors' prescriptions did not help me and I was so miserable at times that I could not turn over in bed. I often wished that death might come and end my suffering. The kidney secretions were badly disordered and doctors diagnosed my case as gravel. They gave me medicine in order to dissolve the stones, but I gradually grew worse until death seemed to be a matter of but a few weeks. My husband finally procured Doan's Kidney Pills and though I laughed at the idea of a proprietary medicine helping me, I began their use. In less than two weeks I was up, attending to my housework and in a little over a month I was completely cured."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

**FAIRVIEW LETTER****Tea Rose, Correspondent**

The Teacher's Association, which was held here last Saturday, was a success in the fullest sense of the word, notwithstanding the fact the weather was very inclement, and a large crowd was present. Prof. J. S. Dickey, of Bowling Green, delivered a very fine address, and the paper read by Miss Mary Effie Meane on "What the High School has Done for Me" and the talk of Miss Lela Bowen were very fine, and they received good attention. The success of the meeting was due to Prof. H. A. Robinson, principal of the Fairview High School.

The election passed off very quietly here, although there was a great deal of interest in the magistrate's race and town election, which resulted in Lucian Jones, of Britmark, Republican, being elected over William Willson, Democrat, by fifty-one majority, this precinct having gone thirty-seven Republican, whereas it went forty-six Democratic last year.

In the trustee's race the following were elected and received the number of votes opposite their names, there having been 23 votes cast: J. W. Hurst, 22; J. W. Yancey, 21; L. M. Johnson, 21; R. F. Vaughan, 14; Ed Wilkins, 13.

C. B. Brewer was elected Police Judge of Fairview without opposition, R. F. Vaughan, whose name was on the ballot having withdrawn, and Seth Ferrell was elected Marshal without opposition. Brewer and Ferrell were elected for a term of three years.

Mrs. W. W. Eddins, who lives south of this place, is very low and her recovery is very doubtful.

R. E. Gillum, of Britmark, has sold his real estate to Luther Norman, of Allegree, and will give possession March 1st, and in the meantime Mr. Gillum is closing out his stock of goods at cost. He has not decided where he will locate.

The Methodist brethren will begin a protracted meeting at their church the fourth Monday night in this month.

Rev. W. R. Wagoner preached his first sermons at the M. B. church last Sunday, and everyone was very much pleased with him.
